VEGETABLE PLANT NURSERY MANAGEMENT

INTRODUCTION

A plant nursery is a specialized facility where plants are propagated, grown, and nurtured until they are ready for sale or transplantation. Plant nurseries play a vital role in the horticulture industry by producing a wide variety of plants, including ornamental plants, trees, shrubs, herbs, and even vegetable seedlings. Here is an introduction to plant nurseries:

Purpose: The primary purpose of a plant nursery is to produce healthy and high-quality plants for various purposes, including landscaping, gardening, reforestation, and commercial agriculture. Nurseries provide a controlled environment that allows plants to grow and develop under optimal conditions.

Plant Propagation: Plant nurseries engage in different methods of plant propagation, such as seeds, cuttings, grafting, and tissue culture. These methods ensure the production of genetically identical or desirable plant specimens.

Plant Selection and Cultivation: Nurseries carefully select plant varieties based on factors such as growth habits, disease resistance, aesthetic appeal, and regional suitability. They cultivate the plants using appropriate growing media, fertilizers, and pest control measures to ensure healthy growth.

Plant Care and Maintenance: Nurseries provide regular care to the plants, including watering, pruning, fertilization, and pest management. They monitor and adjust environmental conditions like temperature, humidity, and light levels to optimize plant growth.

Inventory Management: Plant nurseries maintain an inventory of plants, often organized by species, size, and stage of growth. They track plant availability, monitor stock levels, and plan for propagation cycles to meet customer demands.

LECTURER
DEPARTMENT OF BOTANY
GOVT. DEGREE COLLEGE
PATTIKONDA-518 380, Kurnool Dt.

Sales and Customer Service: Plant nurseries offer plants for sale to individuals, landscapers, garden centers, and other businesses. They provide customer assistance, advice on plant selection, and guidance on plant care and maintenance to ensure successful plant establishment.

Specialty Services: Some plant nurseries specialize in specific plant types, such as native plants, rare or exotic species, or specific plant families. They may also offer additional services like landscape design, plant delivery, or consulting services.

Environmental Considerations: Plant nurseries often prioritize sustainable and environmentally friendly practices. This includes the use of organic fertilizers and pest control methods, water conservation, recycling, and promoting the use of native plants for conservation purposes.

Visiting a plant nursery provides an opportunity to explore a wide range of plants, seek expert advice, and acquire plants for personal or professional use. Nurseries are valuable resources for gardeners, landscapers, and anyone interested in adding greenery to their surroundings.

Whether you are looking for ornamental plants to beautify your garden or searching for specific plant species for a landscaping project, plant nurseries offer a diverse selection and the expertise to guide you in making informed choices.

Opportunities

- ❖ Online Plant Sampling Sales to farmers

- ❖ Educational Programs and Workshops

- ❖ Whole sale Supply to farmers

Starting or working in a plant nursery requires a passion for plants, horticultural knowledge, and business acumen. It's essential to conduct market research, develop relationships with suppliers and customers, and stay updated with the latest industry trends and practices to seize the opportunities available in the plant nursery sector.

SYLLABUS

VEGETABLE PLANT NURSERY MANAGEMENT
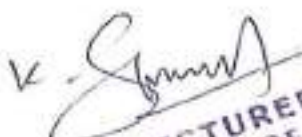

CERTIFICATE COURSE FOR THE YEAR- 2019-2020

Unit-1

1. Vegetable plant nursery definition and importance

2. Types of vegetable plants grown in nurseries

3. Basic requirements for the establishment of le plant nursery.

4. Preparation of nursery beds and precautions.

5. Growing media composition and containers types.

Unit-2

1. Seeds and plant material used to raise nursery

2. Sowing methods of seeds in nursery

3. Seasonal activities and routine operation in a nursery.

4. Nursery watering, Weeding, usage of nutrients ,Pests and common diseases in nurseries.

5. Marketing of nursery seedlings.

VEGETABLE PLANT NURSERY MANAGEMENT

Question Paper

Answer any five question from the given below

Each question carries equal marks   5X10 =50M

1. Define the vegetable plant nursery and write about its importance?

2. Write essay on various types of vegetable plants grown in plant nurseries?

3. What are the basic requirements for the establishment of a plant nursery?

4. What are the various seeds and plant material used to raise the vegetable plant nursery?

5. What are the seasonal activities and routine works carried out in plant nurseries maintenance?

6. Write3 about the seed sowing beds preparation and seed sowing methods of plant nurseries?

7. Write about the pests and diseases appear in the vegetable plant nurseries and their control?

8. Write about the marketing methods of the vegetable plant nurseries?

Final Report of Certification Course in Vegetable Plant Nursery Management.

Vegetable Plant Nursery Management was developed by the Department of Botany with the help of the Principal, Dr.M.Purushotham Reddy, for the College's students. By offering a certificate course in Vegetable Plant Nursery Management for 45 days, the Department of Botany has made a modest start in its effort to teach and enhance the students with practical knowledge of the management of a vegetable plant nursery. The primary goal of the course, as previously decided, was to impart Vegetable Plant Nursery Management knowledge to the departing pupils. The demands of the final year students are taken into consideration when creating the course's fundamental framework. The aforementioned course began on 21st November, 2019, and ended on 10th January, 2020. The pupils' response was very positive. The Seminar Hall was crowded with eager students for its first presentation.

The principal, Dr.M.Purushotham Reddy, spoke to the students and informed them of the significance of nursery management in both the social and business spheres. He also praised the work of the department of Botany and complimented Dr.A.Lakshmaiah HOD who also served as the course coordinator. The course had a high turnout of students. Regular attendance for the classes, which ran from 04.00 PM to 5:00 PM, was 25 students.

The sessions were engaging, educational, and fascinating. The students were able to comprehend how to learn and understand Vegetable Plant Nursery Management with the use of hands-on activities, films, handouts, seminars, quizzes, suggested books, and engaging exercises. The pupils' confidence level was raised via brainstorming sessions, discussions, group exercises, and presentations. The complete course took place, The Course ran its entire course of 45 days and also took informal inputs from the students for making the course better next time. After the successful completion of the said Certificate course, a valedictory function was held and the Principal of the College, Dr.M.Purushotham Reddy graced the occasion and awarded the certificates to the students. The meeting was presided over by the HOD (Botany), Dr.A.Lakshmaiah .At the end of program Sri K.Sippi Isaq, Lecturer in Botany, proposed the vote of thanks.

CLASS on Certificate Course 2019-2020

Government Degree College, Pattikonda

Department of Economics

Final Report of Certification Course in Money and Banking

By offering a certificate course in Money and Banking for 45 days, the Department of Economics has made a modest start in its effort to teach and enhance the students with knowledge on Banking. The primary goal of the course, as previously decided, was to impart knowledge about Money and Banking to the departing pupils. The demands of the final year students are taken into consideration while framing the course's fundamental framework. The aforementioned course began on November 20,2019, and ended on January13,2020. The pupils' response was very positive.

The principal, Dr.M.Purusotham Reddy spoke to the students and informed them of the significance of Agriculture and Industries. He also appreciated the work of the department and complimented B.Jayachandrudu ,HOD , who served as the course's architect. The course had a high turnout of students. Regular attendance for the classes, which ran from 05.00 PM to 6:30 PM, was 20 students

The sessions were engaging, educational, and fascinating. The students were able to comprehend how to learn and understand money and banking with the use of handouts, seminars, quizzes, suggested books, and engaging exercises. The pupils' confidence level was raised via brainstorming sessions, discussions, group exercises, and imprompt presentations .The Course ran its entire course of 45 days and also took informal inputs from the students for making the course better for next time.

After the successful completion of the said Certificate course, a valedictory function was held on 13-01-2020 . The Principal of the College, Dr M Purusotham Reddy . graced the occasion. The meeting was presided over by the HOD (Economics), Sri B.Jayachandrudu. At the end of program Sri Venkata Krishnaiah, Lecturer in Political Science, proposed the vote of thanks.

A Certificate course in Artificial Intelligence for the year-2019-20

Government Degree College, Pattikonda.

Department of Computer Science

Date: 31-08-2019

All the final year degree students are hereby informed that the Department of Computer Science is going to start a certificate course in Artificial Intelligence. the duration of the course is 34 days. Students need not pay any fee for the course. The classes will commence from 02-09-2019. Interested students are required to register their names in Computer Science department. After successful completion of the course certificate will be provided to the students.

Proposal for the Introduction of Certificate

Course in

Artificial Intelligence

Date: 31-08-2019

From
B.Rajender,
Lecturer in C.S,
Head of Department
Govt. Degree College
Pattikonda, Kurnool (Dt).

To
The Principal,
Govt. Degree College, Pattikonda
Kurnool (Dt),

Respected Sir,

I would like to suggest that the department of Computer Science is going to organize a certificate Course in Artificial Intelligence basing on the demands of departing students. The Department of C.S is excited to start the course.

The details or the program are

1. Name of the proposed program	: Artificial Intelligence
2. Duration and timings of the program	: 34 days
3. Start date of the program	: 02nd September 2019
4. Course fee	: free
5. No, ofstudents expected for admission	: 40

Yours faithfully

Head of Department Computer Science

Minutes of the Department meeting for the conduct of Certificate Course in Artificial Intelligence

Date: 30-08-2019

The Department of Computer Science, a leader in catering to student needs, has made the decision to widen opportunities for individuals graduating from our College. There is a considerable need for graduates with Artificial Intelligence skills due to the expanding job market, which has been particularly visible in the globalized sector. With the straightforward objective of equipping graduating students with the requisite Artificial Intelligence skills, the Department of Computer Science has taken the initiative to provide a Certificate Course in Artificial Intelligence.

On 30-08-2019, the Department of Computer Science held a meeting with its members on the College's property. The conference was led by the department head, B.Rajender, The Department unanimously decided to organize the Certificate Course in Artificial Intelligence for degree-seeking students at our College, with the lecturers serving as the course instructors and the Department Head serving as chairman. As promised, the Certificate Course would span 34 days.

SYLLABUS

Unit I   Overview What is AI? History of AI, Goals of AI, Components of AI, AI Techniques, AI Applications, research areas, AI classification Intelligence and its types, Learning difference between human and machine learning Agents and Environments Introduction to different AI Agents, Terminology, Rationality, Structure of AI agents, Model based agents, goal based agents, Utility based agents, Environment, Turing test

Unit II   AI Algorithms Single Agent Path finding problems, Search terminology, Brute Force Search, Depth First, Breadth First, Bidirectional search, Comparison of different test algorithm Strategies , Informed Search Strategy, Local Search Algorithm , Hill climbing, local beam search, Simulated Annealing, Travelling Salesman problem
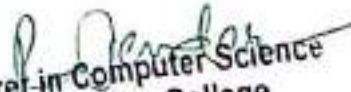

Unit III Neural Networks Artificial Neural Networks (ANN) and its structure, types of ANN, working, Machine Learning in ANN, Bayesian Networks, Applications of ANN
Natural Language Processing: Components of NLP NLU NLG, Terminology used in NLP, Steps in NLP, Implementation aspects Context free grammar, Top down parser

Model question paper (2019-20)
Artificial Intelligence Certificate Course

Time 01:00   Maximum Marks: 50

1. What is Artificial intelligence?
a) Putting your intelligence into Computer
b) Programming with your own intelligence
c) Making a Machine intelligent
d) Playing a Game

2. How do you represent "All dogs have tails"?
a) $\forall$x: dog(x) àhastail(x)
b) $\forall$x: dog(x) àhastail(y)
c) $\forall$x: dog(y) àhastail(x)
d) $\forall$x: dog(x) àhasàtail(x)

3. Who is known as the -Father of AI"?
a. Fisher Ada
b. Alan Turing
c. John McCarthy
d. Allen Newell

4. The application/applications of Artificial Intelligence is/are
a. Expert Systems
b. Gaming
c. Vision Systems
d. All of the above

5. A technique that was developed to determine whether a machine could or could not demonstrate the artificial intelligence known as the____
a. Boolean Algebra
b. Turing Test
c. Logarithm
d. Algorithm

6. An AI agent perceives and acts upon the environment using____.
a. Sensors
b. Perceiver
c. Actuators
d. Both a and c

7. Which rule is applied for the Simple reflex agent?
a. Simple-action rule
b. Simple &Condition-action rule
c. Condition-action rule
d. None of the above

8. Which agent deals with the happy and unhappy state?
a. Utility-based agent
b. Model-based agent
c. Goal-based Agent
d. Learning Agent

9. Rational agent always does the right things.
a. True
b. False

10. Which term describes the common-sense of the judgmental part of problem-solving?
a. Values-based
b. Critical
c. Analytical
d. Heuristic

11. Which AI technique enables the computers to understand the associations and relationships
between objects and events?
a. Heuristic Processing
b. Cognitive Science
c. Relative Symbolism
d. Pattern Matching

12. The exploration problem is where_____.
a. Agent contains the knowledge of State and actions.
b. Agent does not contain the knowledge of State and actions.
c. Only actions are known to the agent.
d. None of the above

13. In the Wumpus World Problem, the reason for the uncertainty is that the agent's sensor
gives only___
a. Full & Global information
b. Partial & Global Information
c. Full & local information
d. Partial & local Information

14. Which instruments are used for perceiving and acting upon the environment?
a) Sensors and Actuators
b) Sensors
c) Perceiver
d) None of the mentioned

15. What is meant by agent's percept sequence?
a) Used to perceive the environment
b) Complete history of actuator
c) Complete history of perceived things
d) None of the mentioned

16. How many types of agents are there in artificial intelligence?
a) 1
b) 2
c) 3
d) 4

17. What are the composition for agents in artificial intelligence?
a) Program
b) Architecture
c) Both Program & Architecture
d) None of the mentioned

18. In which agent does the problem generator is present?
a) Learning agent
b) Observing agent
c) Reflex agent
d) None of the mentioned

19. Which is used to improve the agents performance?
a) Perceiving
b) Learning
c) Observing
d) None of the mentioned

20. Which agent deals with happy and unhappy states?
a) Simple reflex agent
b) Model based agent
c) Learning agent
d) Utility based agent

21. Which action sequences are used to achieve the agent's goal?

a) Search

b) Plan

c) Retrieve

d) Both Search & Plan

22. Which element in the agent are used for selecting external actions?

a) Perceive

b) Performance

c) Learning

d) Actuator

23. Which is not the commonly used programming language for AI?

a) PROLOG

b) Java

c) LISP

d) Perl

24. An omniscient agent knows the actual outcome of its actions and can act accordingly; but omniscience is impossible in reality. Rational Agent always does the right thing; but Rationality is possible in reality.

a) True

b) False

25. The Task Environment of an agent consists of _____

a) Sensors

b) Actuators

c) Performance Measures

d) All of the mentioned

Final Report of Certification Course in Artificial Intelligence

During this course, students delved deep into Artificial intelligence fundamentals, including History of AI, Goals of AI, Components of AI, AI Techniques, AI Applications, research areas, AI classification . Through hands-on exercises and real-world examples, they gained a solid understanding of Artificial intelligence. Completing this course has added a new skill to their knapsack, empowering them to tackle programming challenges and contribute effectively to Artificial intelligence. The aforementioned course began on September 02, 2019, and ended on October 16, 2019. The pupils' response was very positive. The Seminar Hall was crowded with eager students for its first presentation.

The principal, Dr. Purushotham Reddy, spoke to the students and informed them of the significance of technology in both the social and business spheres. He also praised the work of the department of Computer science and complimented Sri.B.Rajender, HOD, who served as the course's architect. The course had a high turnout of students. Regular attendance for the classes, which ran from 04.00 PM to 5:30 PM, was 40 students.

The sessions were engaging, educational, and fascinating. The students were able to comprehend how to learn and understand Artificial intelligence with the use of hands-on activities, films, handouts, seminars, quizzes, suggested books, and engaging exercises. The pupils' confidence level was raised via brainstorming sessions, discussions, group exercises. The complete course took place; The Course ran its entire course of 34 days and also took informal inputs from the students for making the course better next time.

After the successful completion of the said Certificate course, a valedictory function was held on 16th October 2019. The Principal of the College, , graced the occasion. The meeting was presided over by the HOD, B. Rajender. Vote of thanks was proposed by other members.

PROPOSAL FOR THE INTRODUCTION OF CERTIFICATE COURSE IN

Anvinu Pretuaction

DATE: 14/11/2019

From
B. Krupender Reddy
Lecturer in _Chemistry_
Head of Department
Govt. Degree College
Pattikonda, Kurnool (Dt).

To
The Principal,
Govt. Degree College, Pattikonda
Kurnool (Dt).

Respected Sir,

I would want to suggest that our college hold a certificate programme _Anvinu Pretaution_ The demands of departing students are now more regularly communicated to the Department of _Chemistry_. From the lowest to the highest levels of employment, _Anvinu Pratudi_ has become _helpful to_ students. The Department of _Chemistry_ is excited to start the course taking into account all of these factors.

The details or the program are

1. Name of the proposed program
2. Duration and timings of the program
3. Start date of the program
4. Course fee
5. No, of students expected for admission

: Anvinu Pretaration
: 45 days
: 21st November 2019
: free
: 33

Yours faithfully

Minutes of the Department meeting for the conduct of
Certificate Course in _Agricia Industries_

Date: _15/11/2019_

The Department of _Chemistry_, a leader in catering to student needs, has made the decision to widen opportunities for individuals graduating from our College. There is a considerable need for new graduates with _Agricia Industry_ skills due to the expanding job market, which has been particularly visible in the _Pharmaceutical_ sector. With the straightforward objective of equipping graduating students with the requisite practical _Agricia Industry_ abilities, the Department of _Chemistry_ has taken the initiative to provide a Certificate Course in _Agricia Industries_

On _5th nov 2019_, the Department of _Chemistry_ held a meeting with its members on the College's property. The conference was led by the department head, _B. Krutkuda Reddy_ and attended by, _Principal_, and _other Chemistry_ lecturers in _Chemistry dept_. The Department unanimously decided to organize the Certificate Course in _Agricia Industries_ for degree-seeking students at our College, with the lecturers serving as the course instructors and the Department Head serving as chairman. As promised, the Certificate Course would span 45 days.

1. Sri _B. Krutkuda Reddy_ Head of the Department
2. Sri _B. Venkanna_, Lecturer in _Chemistry_
3. Sri _K. Venkatesh_ Lecturer in _Chemistry_

Final report of certification course in
Preparation of Aspirin

Aspirin Preparation was developed by the Dept. of
Chemistry with the help of the Principal, for the
students. By offering a certificate course in
Aspirin Preparation for 45 days. The dept. of
chemistry made a modest start in its effort
to teach and enhance the students with
practical knowledge of the Aspirin Preparation. The
primary goal of the course, as previously decided,
was to impart Aspirin Preparation knowledge of to
the departing pupils. The demands of the final year
students are taken into consideration when
creating the courses fundamental framework. The
course began November 21st 2019 and ended
January 8th 2020. The pupils response was very
positive.

The Principal Dr. B. Purushotham reddy spoke the
students and informed them of the significance

Minutes of the Department
Meeting for the conduct of Certificate Course in Tally

Date: 01.10.2020

The Department of Commerce, a pioneer in meeting the needs of students, has decided to be a trailblazer for our College's graduating students. The job market, particularly in the financial area, has been booming, and fresh graduates with Tally knowledge are in high demand. The Department of Commerce has taken the initiative to conduct a Certificate Course in Tally, with the simple goal of providing necessary hands on knowledge on Tally to outgoing students.

On the 1ˢᵗ October, 2020, the Department of Commerce had a meeting with its members on the College premises. The meeting was chaired by the Head of the Department, T Ganagadhar, and the lecturers in Commerce H.Purushothamayya and U Chandra Sekhar are present. The Department unanimously resolved to organize the Certificate Course in Tally for our College's outgoing final year Degree students under the chairmanship of the Head of Department and under the direction of the principal. It was resolved that the Certificate Course will be held for 45 days. It was also decided to focus more on students from rural backgrounds, and their medium of instruction is Telugu.

PROPOSAL FOR THE INTRODUCTION OF CERTIFICATE COURSE IN TALLY

DATE: 2- 10 -2020

From,
T Gangadhar,
Lecturer in Commerce,
Head of Department
Govt. Degree College
Pattikonda.

To,
The Principal,
Govt. Degree College
Pattikonda
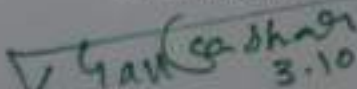

Respected Sir,

I'd like to make a proposal to you regarding the introduction of a Tally Certificate Course for our College's final year degree students. The Department of Commerce has been increasingly aware of the requirements of departing students. From the lowest to the greatest levels of employment, Knowledge in Tally has become the important factor for the commerce students. With all of these considerations in mind, the Department of commerce would like to launch the course.

The details or the program are

1. Name of the proposed program	: Tally
2. Duration and timings of the program	: 45 days; 2:30 pm to 4:00pm
3. Start date of the program	: 06·10·2020 to 30 Nov 2020
4. Course fee	: Nil
5. No, of students expected for admission	: 40

Department of Commerce
Final Report of Certification Course in commerce

Department of Commerce, under the guidance of the Principal came up with idea of Tally for the students of the College. The Department of commerce has made a humble beginning to impart and enrich the students with hands on tally by conducting a certificate course in Tally for the duration of 45 days. As it was resolved earlier, the main thrust of the course was to inculcate knowledge in Tally for the out-going students. The basic structure of the course is prepared keeping in view the needs of the final year students. The said Course was started on 06.10.2020 and completed on 06.12.2020.
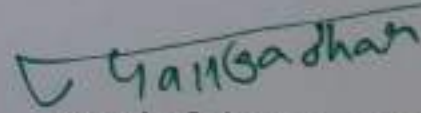

The response from the students was overwhelming. In its introductory session the Seminar Hall was jam-packed and students enthusiastically wanted to be the part of it. the principal, addressed the students intimating them about the importance of Technology in social and corporate realms. He also appreciated the effort of commerce Department and congratulated Sri T Gangadhar, HOD, Commerce Department, who was the guiding force behind the entire course. The number of students attended the Course was good. 20 Students regularly attended the Classes conducted from 2.30 P M to 4.00 PM.

The sessions were interactive, informative and interesting. The usage of hands on, videos, hand-outs, seminars, quiz's, suggestive books and interesting worksheets helped the students to grasp the tips to learn and understand Tally. There were brain-storming sessions, debates, group activities and impromptu presentations which enhanced the confidence level of the students. The Course ran its entire course of 45 days and also took informal inputs from the students for making the course better next time.

After the successful completion of the said Certificate course, a valedictory function was held on 6th December 2020. The Principal of the College, graced the occasion. The meeting was presided over by the HOD (commerce),

Sri T Gangadhar. In his opening remarks, the Head of the Department explained the need and necessity of introducing the Certificate course. The Principal advised the students to make use of the in-puts given by the Department of commerce. Certificates were distributed to the all 20 students.

At the end of program Sri U Chandra Sekhar, Lecturer in commerce, proposed the vote of thanks.

Tally

POWER OF SIMPLICITY

Tally.ERP 9 at a Glance

syllabus

Accounting – It is the most important feature of Tally ERP. the very first thing that comes to anyone's mind after listening about Tally is Accounting.
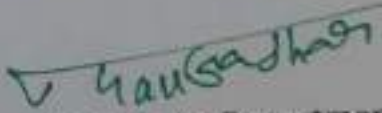

Billing – Billing is a significant part of any business. As and when you pass an accounting entry synchronously a bill is generated which you can use for raising or sending an invoice. Most people believe that Billing is a part of Accounting which is not true when it comes to business. Billing Option present in Tally eliminates the task of entering separate accounting.

Payroll – This feature can be used when you have a good number of employees. To maintain Payroll in Tally, functions such as employee groups, employee categories, pay heads, attendance, and course employees are used.

Banking – In this era of digitalization, no business can survive without Banking. With the help of Tally ERP, TDS GST both direct and indirect tax can be calculated automatically and its returns will be also be filed online.

Taxation – For any business to survive it shouldn't operate in isolation. The Business should work in cooperation with State as well as Central Government by paying appropriate Taxes. Calculation of Taxes based on the income, sale, and dispatch is quite hectic. Tally makes it easy for you to prepare any bill or invoice as it can give VAT, Income Tax, Excise, Customs, Service tax, etc.

Inventory – Maintenance of Stock is of utmost importance for any business. It's vital as it gives better control over business sales. Thus, the movement of stock is an integral part that can be kept in control.

Department Of History
Minutes of the Department meeting for the conduct of
Certificate Course in Modern principles and technologies of Archeology

Date: 20-11-2019

The Department of History, a leader in catering to student needs, has made the decision to widen opportunities for individuals graduating from our college. There is a considerable need for new graduates with employability skills due to the expanding job market, which has been particularly visible in the Banking Sector. With the straightforward objective of equipping graduating students with the requisite practical Knowledge and abilities, the Department of History has taken the initiative to provide a Certificate Course Modern principles and technology of Archeology.

On 19-09-2019, the Department of History held a meeting with its members on the College's property. The conference was led by the department head, V.Krishnaiah, and attended by, Venkata Narsaiah, and Sri jayachandra, lecturers in Economics. The Department unanimously decided to organize the Certificate Course Modern principles and technology of Archeology for degree-seeking students at our college, with the lecturers serving as the course instructors and the Department Head serving as chairman. As promised, the Certificate Course would span 45 days.

1. Sri V.Krishnaiah, Head of the Department

Syllabus

Modern principles and technologies of Archeology

Unit-1

Definition Nature and scope of Archaeology Relationship of Archology with social and nature science-Application of Digital Technology in Archaeology

GIS and satellite Imagery-computers the Internet

Unit-11

Retrieval of Archaeological data Techniques of Exploration Excavation-study of maps-Aerial survy-photogropy water Exploration-tools of Archaeology

Unit-III

Chronology-relative chronology-radiocarbon Dating-principles of conservation Preservation and Documentation of Archaeological antiquities.

Modern principles and technologies of Archeology

Time 01:30   Maximum marks :50

Answer any 3 questions (3x10)

1.Definition nature of and scope of archaeology?

2.Write about relationship of Archaeology with social and natural science

3.Write about application of Digital technology in archaeology

4.Write techniques of exploration, Excavation, and study maps'

II Answer any four Questions 4x5=20

1.GIS and Satellite imaginary

2.Aerial survey

3.Water Exploration

4.Principles of conservation

5.Radio carbon dating

6.Tools of Archaeology

RE-ACCREDITED BY NAAC WITH 'B' GRADE

DEPARTMENT OF PHYSICS
Certificate Of Participation

This is to certify that Mr./Miss..A.SRINIVASULU studying II B.Sc. M.P.Cs successfully

Completed 'REFRIGIRATOR SERVICE' Organized by Department of Physics, Government Degree College,

Pattikonda,

Kurnool (DT) held from 13.08.2019 to28.09.2019.

Coordinator
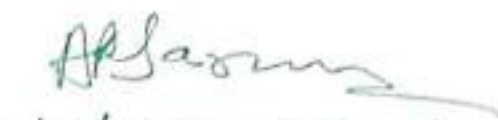

Principal

REFRIGIRATOR SERVICE, was developed by the Department of Physics with the help of the Principal, Dr. B.Purushotam Reddy, for the College's students. By offering a certificate course in **REFRIGIRATOR SERVICE** for 45 days, the Department of Physics has made a modest start in its effort to teach and enhance the students with practical knowledge of the House wiring. The primary goal of the course, as previously decided, was to impart House wiring knowledge to the departing pupils. The demands of the final year students are taken into consideration when creating the course's fundamental framework. The aforementioned course began on August 13, 2019, and ended on 28 september , 2019. The pupils' response was very positive. The Seminar Hall was crowded with eager students for its first presentation.

The principal, Dr. B.Purushotam Reddy, spoke to the students and informed them of the significance of technology in both the social and business spheres. He also praised the work of the department of business and complimented Sri A.RAVISANKAR SHARMA, HOD, who served as the course's architect. The course had a high turnout of students. Regular attendance for the classes, which ran from 04.00 PM to 6:00 PM, was 20 students.

The sessions were engaging, educational, and fascinating. The students were able to comprehend how to learn and understand House wiring with the use of hands-on activities, films, handouts, seminars, quizzes, suggested books, and engaging exercises. The pupils' confidence level was raised via brainstorming sessions, discussions, group exercises, and impromptu presentations. The complete course took place .The Course ran its entire course of 20 days and also took informal inputs from the students for making the course better next time.

After the successful completion of the said Certificate course, a valedictory function was held on28ᵗʰ september 2019. The Principal of the College,Dr. B.Purushotam Reddy , graced the occasion. The meeting was presided over by the HOD (Physics), Sri A.Ravisankar sharma.At the end of program Dr.G. Srinivasulu, Lecturer in Physics, proposed the vote of thanks.

Government Degree College, Pattikonda
Department of English
Final Report of Certificate Course in daily use English sentences with Telugu meaning

Everyday daily use English sentences with Telugu meaning Programme was developed by English department with the help of the Principal for college students. By offering the 48-day Certificate course in communication skills, the English Department has made a humble beginning in its efforts to teach and improve students' practical knowledge of accounting software. The main objective of the course, as decided earlier, was to impart English language skills to the departing students. The requirements of final year students are taken into account when creating the basic framework of the course. The above mentioned course started on 11.10.2018 and ended on 30.12.2018. The feedback from the students was very positive. The seminar hall was full of students waiting for their first presentation.

The Principal, spoke to the students and knowledgeable them of the importance of generation in both the social and enterprise spheres. He additionally praised the paintings of the department of English and complimented Sri.P.Malli babu, HOD, who served as the route's architect. The periods were attractive, academic, and fascinating. The scholars were able to recognize a way to study and understand English with the usage of arms-on sports, movies, handouts, seminars, quizzes, recommended books, andattractive physicalg ames.The pupils' confidence degree becomes raised through brainstorming classes, discussions, organization sporting activities, and impromptu displays. The complete direction tookplace; the course ranits complete direction of forty five days and additionally took informal inputs from the scholars for making the direction higher next time. Upon the successful completion of the aforementioned Certificate programme, a farewell celebration was organized on the last day of the programme. The event was graced by the college's principal. B. Paul Raj, the HOD, presided over the meeting. The idea for a vote of gratitude came from other members.

A Certificate Course in Business Mathematics
SYLLABUS

Unit 1: Financial Mathematics

- Time Value of Money: Future value, present value, annuities, and perpetuities
- Compound Interest: Compound interest formulas, effective interest rate, and applications in investment analysis
- Loan Amortization: Calculation of loan payments, interest, and principal components
- Bonds and Stocks: Bond pricing, yield to maturity, stock valuation methods (dividend discount model, price-earnings ratio)
- Risk and Return: Basic concepts of risk and return, portfolio diversification, risk measures (standard deviation, beta)

Unit 2: Data Analysis for Business Decision Making

- Descriptive Statistics: Measures of central tendency (mean, median, mode), measures of dispersion (variance, standard deviation), graphical representation of data (histograms, bar charts, pie charts)
- Probability: Basic concepts, probability rules, conditional probability, random variables
- Sampling and Estimation: Sampling techniques, sampling distributions, confidence intervals for population mean and proportion
- Hypothesis Testing: Hypothesis formulation, types of errors, significance level, p-values, t-tests and z-tests
- Regression Analysis: Simple linear regression, interpretation of regression coefficients, coefficient of determination

These two units cover essential topics in Business Mathematics, providing a foundation for understanding financial calculations and data analysis in a business context. However, it's important to note that the depth and coverage of each topic may vary depending on the duration and intensity of the course. It's recommended to consult the specific syllabus of the institution or course provider offering the certificate program for more detailed information.

Model question paper (2019-20)
Certificate Course in Business Mathematics

Time 02:00 Hrs   Maximum Marks: 50

Section A: Multiple Choice Questions (2 marks each)

1. Which of the following is not a measure of central tendency? a) Mean b) Median c) Mode d) Standard deviation
2. If the selling price of an item is $80 and the mark up percentage is 25%, what is the cost price? a) $60 b) $64 c) $70 d) $75
3. If the interest rate is 8% per annum, what is the compound amount of $5000 after 2 years, compounded annually? a) $5400 b) $5600 c) $5800 d) $6000
4. The demand equation for a product is given by Q = 1000 - 5P, where Q is the quantity demanded and P is the price. If the price is set at $100, what is the quantity demanded? a) 500 b) 600 c) 700 d) 800
5. A company's profit is given by the equation P = R - C, where P is the profit, R is the revenue, and C is the cost. If the revenue is $5000 and the cost is $3000, what is the profit? a) $2000 b) $2500 c) $3000 d) $3500

Section B: Short Answer Questions (3 marks each)

1. Solve the equation $3x + 5 = 20$.
2. Calculate the present value of $5000 received after 3 years, assuming a discount rate of 6% per annum.
3. A company's sales increased from $10,000 in 2019 to $15,000 in 2020. What was the percentage increase in sales?
4. The profit margin of a product is 20%. If the selling price is $100, what is the cost price?
5. A company's inventory turnover ratio is 6. If the cost of goods sold is $500,000, what is the average inventory?

Section C: Calculation Problems (5 marks each)

1. A company's revenue is given by the equation $R = 5x + 10y$, where x is the quantity of product X sold and y is the quantity of product Y sold. If $x = 100$ and $y = 50$, calculate the revenue.
2. The monthly expenses of a business are given by the equation $E = 1000 + 0.2x$, where x is the number of units produced. If the number of units produced is 5000, calculate the monthly expenses.
3. A car loan of $20,000 is taken for 5 years at an annual interest rate of 8%. Calculate the monthly instalment using the equated monthly instalment (EMI) formula.
4. The market price of a stock increased from $50 to $60. Calculate the percentage increase in the stock price.
5. A company's total cost is given by the equation $C = 2x^2 - 5x + 10$, where x is the quantity produced. If the quantity produced is 100, calculate the total cost.

Government Degree College, Pattikonda
Department of Mathematics
Final Report of Certification Course in Critical Thinking & Problem Solving

Everyday Mathematics was developed by the Department of Mathematics with the help of the Principal, for the College's students. By offering a certificate course in Business Mathematics for 45 days, the Department of Mathematics has made a modest start in its effort to teach and enhance the students with practical knowledge. The primary goal of the course, as previously decided, was to impart Mathematics knowledge to the departing pupils. The demands of the final year students are taken into consideration when creating the course's fundamental framework. The aforementioned course began on October 25, 2019, and ended on December 20, 2019. The pupils' response was very positive. The Seminar Hall was crowded with eager students for its first presentation.

The principal, Dr. B Purusotham Reddy, spoke to the students and informed them of the significance of technology in both the daily life and Competitive life. He also praised the work of the department of Mathematics and complimented Dr. K Appala Naidu HOD, who served as the course's architect. The course had a high turnout of students. Regular attendance for the classes, which ran from 05.00 PM to 6:30 PM, was 25 students.

The sessions were engaging, educational, and fascinating. The students were able to comprehend how to learn and understand Mathematics with the use of hands-on activities, seminars, quizzes, suggested books, and engaging exercises. The pupils' confidence level was raised via brainstorming sessions, discussions, group exercises, and impromptu presentations. The complete course took place; The Course ran its entire course of 45 days and also took informal inputs from the students for making the course better next time.

After the successful completion of the said Certificate course, a valedictory function was held on 20th December 2019. The Principal of the College graced the occasion. The meeting was presided over by the HOD, Dr. K Appala Naidu. Vote of thanks was proposed by other members.

Minutes of the Department meeting for the conduct of Certificate Course in Poultry Broiler Management

Date: 09-09-2019

The Department of Zoology, a leader in catering student needs, has made the decision to widen opportunities for individuals graduating from our College. There is a considerable need for new graduates for providing self-employment to rural background students. These courses also provide employment to the local individuals and daily livelihood. With the straightforward objective of equipping graduating students with the requisite practical abilities, the Department of Zoology has taken the initiative to provide a Certificate Course in Poultry Broiler Management.

On 09-09-2019, the Department of Zoology held a meeting with its members on the College's premises. The meeting was led by the department members and the Department unanimously decided to organize the Certificate Course in Poultry Broiler Management for degree-seeking students at our College, with the lecturers serving as the course instructors and the Department Head serving as chairman. As promised, the Certificate Course would span 45 days which would be very useful to students.

2019-2020Proposals for the Introduction of Certificate

Course in

Poultry Broiler Management

Date: 11-09-2019

From
P.Ramanjaneyulu,
Lecturer in Zoology,
Govt. Degree College,
Pattikonda, Kurnool (Dt).

To
The Principal,
Govt. Degree College, Pattikonda
Kurnool (Dt),

Respected Sir,

I would like to suggest that the department of Zoology is going to organize a certificate Course in **Poultry Broiler Management** basing on the demands of departing students who are now more regularly communicated to the Department of Zoology from the lowest to the highest levels of employment, this course has become fruitful to students. The Department of Zoology is excited to start the course taking into account all of these factors. This course is also very useful for the students for their self-employment.

The details or the program are

1. Name of the proposed program	: A Certificate course in **Poultry Broiler Management**
2. Duration and timings of the program	: 45 days
3. Start date of the program	: 16-09-2019
4. Course fee	: free
5. No, ofstudents expected for admission	: 30

Yours faithfully

Final Report of Certificate Course
in
Poultry Broiler Management

Poultry Broiler Management Programme was developed & designed by department of zoology with the help of the Principal for III B.Z.C students. By offering the 45-days Certificate course in Poultry Broiler Management has made a humble beginning in its efforts to teach and improve students' practical knowledge for livelihood. The main objective of the course, as decided earlier, was to impart commercial strategy and to create awareness from rural area students. The requirements of final year students are taken into account when creating the basic framework of the course. The feedback from the students was very positive.

The Principal, spoke to the students about the self-employment skills and knowledgeable them of the importance of rich protein values and low cholesterol, as the population is enormously increasing day by day the government also insist animal husbandry and poultry farming in the rural areas. The government also provided financial subsidy to the poultry farmers.
