Minutes of the Department meeting for the conduct of
Certificate Course in IOT Application Development

Date: 01-12-2021

The Department of Computer Science, a leader in catering to student needs, has made the decision to widen opportunities for individuals graduating from our College. There is a considerable need for graduates with IOT Application Development skills due to the expanding job market, which has been particularly visible in the globalized sector. With the straightforward objective of equipping graduating students with the requisite practical IOT Application Development skills, the Department of Computer Science has taken the initiative to provide a Certificate Course in IOT Application Development.

On 01-12-2021, the Department of Computer Science held a meeting with its members on the College's property. The conference was led by the department head, P.Suryachandra, The Department unanimously decided to organize the Certificate Course in IOT Application Development for degree-seeking students at our College, with the lecturers serving as the course instructors and the Department Head serving as chairman. As promised, the Certificate Course would span 37 days.

Maximum Marks: 50

1. What is the full form of IANA?
 - a) Internal Assessment Numerical Access
 - b) Internet Association Numbers Authority
 - c) International Aid For Network Automation
 - d) Internet Assigned Numbers Authority

2. IoT stands for:
 - a) Internet of Tech
 - b) Incorporation of Things
 - c) Internet of Things
 - d) Incorporation of Technology

3. Which of the following can not be considered an IoT device?
 - a) Smartwatch
 - b) Andriod Phone
 - c) Laptop
 - d) Tubelight

4. Which is not an IoT platform?
 - a) Xiaomi Cloud
 - b) GoogleCloud
 - c) Myntra
 - d) AWS(Amazon Web Services)

5. Which of the following can not be considered an IoT device?
 - a) Smartwatch
 - b) Andriod Phone
 - c) Laptop
 - d) Tubelight

R

6. IoT is based on _____ technology.

- a) Hardware
- b) Software
- c) None
- d) Both of these

7. What is the standard form of RFID?

- a) Radio Frequency Identification
- b) Radio Waves Frequency Identification
- c) Radio Frequency InterDependent
- d) Radio Wave Frequency Independent

8. What is considered the standard length for a MAC Address?

- a) 8 bits
- b) 32 bits
- c) 48 bits
- d) None of these

9. What "bit" represents the address bit in the control register?

- a) MML
- b) ML
- c) MX
- d) MM

10. What is mandatory for an IP Packet to contain?

- a) Destination IP Address
- b) Source IP Address
- c) Both of these
- d) None of these

11. At which level does the router operate in the OSI reference model?

- a) Data Link
- b) Network
- c) Physical
- d) None of these

12. What is an IoT network?

- a) a collection of networked devices
- b) a collection of Interconnected devices
- c) a collection of signalled devices
- d) None of the above

13. Full form of MQTT?

- a) Message Queue Telemetry Transport
- b) Messenger Queue Telemetry Transport
- c) Message Queuery Telemetry Transport
- d) None of these

14. Full-Form of VNC:

- a) Virtual network of computers
- b) Very network of computers
- c) Virtual network for communication
- d) Virtual network computing

15. What is the java extension file used in IoT?

- a) .jar
- b) .obj
- c) .cpp
- d) .exe

16. Which one out of these is not a Data Link Layer Technology?

- a) Bluetooth
- b) Wifi
- c) HTTP
- d) Mobile Hotspot

17. What is the standard form of LLN?

- a) Lower Lossy Network
- b) Low Power Lossy Network
- c) Lossy Low Power Network
- d) Low Lossy Powered Network

18. What type of interface is used by fingerprint sensors to collect data?

- a) IPI interface
- b) UART interface
- c) I2P interface
- d) None

19. How many wires does the SPI protocol use?

- a) 3
- b) 4
- c) 2
- d) More than 4

20. Which of the following things is mandatory for the IoT gateway to provide?

- a) Simple and secure installation
- b) Data network and storage
- c) Software Security
- d) Protocol abstraction

21. In which of the following way, data is associated with an IoT device:

- a) Internet
- b) Network connection
- c) Cables
- d) Cloud

22. Full form of HART:

- a) Highway Address Remote Transmitter
- b) Highway Addressable Remote Transducer
- c) Highway Addressable Router Transmitter
- d) Highway Address Remote Transmitter

23. Full form of LPWAN:

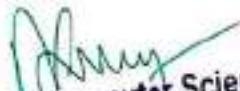

- a) Low Power Wide Area Network
- b) Lower Power Wide Area of Network
- c) Low Protocol Wide Area of Network
- d) Long Protocol Wider Area Network

24. What do API systems enable?

- a) Networks service portability is allowed by API
- b) Systems service portability is allowed by API
- c) Device service portability is allowed by API
- d) All of these

25. What do RETful API systems allow the user?

- a) to enhance security
- b) to modify communication capability
- c) to control electronic components
- d) All of these

Final Report of Certification Course in IOT Application
Development

During this course, students delved deep into Understand basic concepts of IOT technology. Understanding of four core components required to build IOT applications , Sensor/ Devices , Connectivity / Networking , Data Processing, UI, Develop one complete IOT solution from design to implementation using Real Time data and RTOS. Through hands-on exercises and real-world examples, they gained a solid understanding of IOT Application Development syntax and best practices, enabling them to write clean, efficient, and maintainable code. Completing this course has added a new skill to their knapsack, empowering them to tackle programming challenges and contribute effectively to data analysis. The aforementioned course began on December 06, 2021, and ended on January 20, 2022. The pupils' response was very positive. The Seminar Hall was crowded with eager students for its first presentation.

The principal, Dr. R Madhuri, spoke to the students and informed them of the significance of technology in both the social and business spheres. She also praised the work of the department of Computer science and complimented Sri.P.Suryachandra, HOD, who served as the course's architect. The course had a high turnout of students. Regular attendance for the classes, which ran from 04.00 PM to 5:30 PM, was 40 students.

The sessions were engaging, educational, and fascinating. The students were able to comprehend how to learn and understand IOT with the use of hands-on activities, films, handouts, seminars, quizzes, suggested books, and engaging exercises. The pupils' confidence level was raised via brainstorming sessions, discussions, group exercises. The complete course took place; The Course ran its entire course of 37 days and also took informal inputs from the students for making the course better next time.

After the successful completion of the said Certificate course, a valedictory function was held on 20th January 2022. The Principal of the College, graced the occasion. The meeting was presided over by the HOD, Sri P. Suryachandra. Vote of thanks was proposed by other members.

A Certificate Course in Logical Reasoning

SYLLABUS

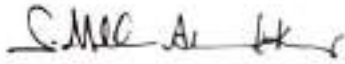

Unit 1: Introduction to Logical Reasoning

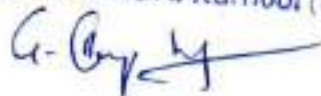

1. Introduction to Logical Reasoning: Overview of logical reasoning and its importance in problem-solving.
2. Critical Thinking: Developing critical thinking skills, identifying assumptions, and evaluating arguments.
3. Deductive Reasoning: Understanding deductive reasoning, syllogisms, and categorical logic.
4. Inductive Reasoning: Exploring inductive reasoning, generalizations, and analogies.
5. Analytical Reasoning: Introduction to analytical reasoning, including logical puzzles, seating arrangements, and coding-decoding problems.

Unit 2: Problem-Solving Techniques

1. Decision Making: Strategies for effective decision making, including cost-benefit analysis and decision trees.
2. Problem Analysis: Techniques for analyzing problems, identifying causes, and finding solutions.
3. Logical Interpretation: Interpreting and analyzing data, charts, and graphs using logical reasoning.
4. Verbal and Non-Verbal Reasoning: Understanding verbal and non-verbal reasoning patterns, including series completion, analogy, and classification.
5. Practice Exercises: Engaging in practical exercises and solving logical reasoning problems to reinforce concepts.

Note that this condensed syllabus covers essential topics in logical reasoning. However, keep in mind that a comprehensive course would typically include additional units covering topics such as argument evaluation, propositional logic, and more advanced problem-solving techniques.

Certificate Course in Logical Reasoning

Time 02:00 Hrs

Maximum Marks: 50

Section A: Verbal Reasoning

1. Select the option that best completes the analogy:
Apple is to fruit as carrot is to _____. a) Vegetable b) Leaf c) Plant d) Salad
2. If all cats are dogs, and some dogs are mice, which of the following statements must be true? a) All cats are mice. b) Some cats are mice. c) All dogs are mice. d) Some mice are cats.
3. Select the word that does not belong to the group:
a) Chair b) Table c) Couch d) Lamp
4. Rearrange the following letters to form a meaningful word and choose the correct option:
L E D U R a) Rule b) Dure c) Duel d) Lure
5. If A = 1, B = 2, C = 3, and so on, what is the numerical value of the word "LOGIC"? a) 34 b) 48 c) 49 d) 55

Section B: Analytical Reasoning

6. If all birds can fly and some animals can fly, which of the following statements must be true? a) All animals can fly. b) Some birds are animals. c) Some animals are birds. d) All birds are animals.
7. Arrange the following statements in a logical sequence:
I. Conclusion II. Premise III. Evidence
a) I, II, III b) III, II, I c) II, III, I d) II, I, III
8. In a family of six people—Adam, Ben, Carol, David, Emma, and Fiona—David is Carol's brother, Emma is Ben's sister, Fiona is Adam's sister. Who is Emma's brother?
a) Adam b) Ben c) Carol d) David
9. If 8 men can complete a project in 16 days, how many days will it take for 4 men to complete the same project? a) 4 b) 8 c) 16 d) 32
10. A group of friends—Amy, Bob, Chris, and Dave—goes to a party. If Amy does not know Bob, and Chris does not know Dave, who among the four is most likely to know everyone at the party? a) Amy b) Bob c) Chris d) Dave

Department of Mathematics

Final Report of Certification Course in Logical Reasoning

Everyday Mathematics was developed by the Department of Mathematics with the help of the Principal, for the College's students. By offering a certificate course in Logical Reasoning for 45 days, the Department of Mathematics has made a modest start in its effort to teach and enhance the students with practical knowledge. The primary goal of the course, as previously decided, was to impart Mathematics knowledge to the departing pupils. The demands of the final year students are taken into consideration when creating the course's fundamental framework. The aforementioned course began on November 15, 2021, and ended on February 01, 2022. The pupils' response was very positive. The Seminar Hall was crowded with eager students for its first presentation.

The principal, Dr. R Madhuri, spoke to the students and informed them of the significance of technology in both the daily life and Competitive life. He also praised the work of the department of Mathematics and complimented Sri. S Abhilash Anand Kumar HOD, who served as the course's architect. The course had a high turnout of students. Regular attendance for the classes, which ran from 05.00 PM to 6:30 PM, was 25 students.

The sessions were engaging, educational, and fascinating. The students were able to comprehend how to learn and understand Mathematics with the use of hands-on activities, seminars, quizzes, suggested books, and engaging exercises. The pupils' confidence level was raised via brainstorming sessions, discussions, group exercises, and impromptu presentations. The complete course took place; The Course ran its entire course of 45 days and also took informal inputs from the students for making the course better next time.

After the successful completion of the said Certificate course, a valedictory function was held on 01st February 2022. The Principal of the College graced the occasion. The meeting was presided over by the HOD, Sri. S Abhilash Anand Kumar. Vote of thanks was proposed by other members.

Final Report of Certification Course in General and Health Insurance

By offering a certificate course in General and Health Insurance for 45 days, the Department of Economics has made a modest start in its effort to teach and enhance the students with knowledge on Insurance. The primary goal of the course, as previously decided, was to impart knowledge about Insurance to the departing pupils. The demands of the final year students are taken into consideration while framing the course's fundamental framework. The aforementioned course began on 25 November, 2021, and ended on 9 January, 2022. The pupils' response was very positive.

The principal, Dr.R.Madhuri, spoke to the students and informed them of the significance of General and Health Insurance. She also appreciated the work of the department and complimented Dr.H.Mari Swamy, HOD, who served as the course's architect. The course had a high turnout of students. Regular attendance for the classes, which ran from 05.00 PM to 6:30 PM, was 20 students.

The sessions were engaging, educational, and fascinating. The students were able to comprehend how to learn and understand Insurance with the use of handouts, seminars, quizzes, suggested books, and engaging exercises. The pupils' confidence level was raised via brainstorming sessions, discussions, group exercises, and imprompt presentations. The complete course took place. The Course ran its entire course of 45 days and also took informal inputs from the students for making the course better for time.

After the successful completion of the said Certificate course, a valedictory function was held on 27 January, 2022. The Principal of the College, Dr.R.Madhuri garu, graced the occasion. The meeting was presided over by the HOD (Economics), Sri Dr.H.Mari Swamy. At the end of program Sri Ayyappa, Lecturer in Political Science, proposed the vote of thanks.

Minutes of the Department meeting for the conduct of
Certificate Course in WATER ANALYSIS

Date: 09/11/2021

The Department of Chemistry, a leader in catering to student needs, has made the decision to widen opportunities for individuals graduating from our College. There is a considerable need for new graduates with practical skills due to the expanding job market, which has been particularly visible in the Environment sector. With the straightforward objective of equipping graduating students with the requisite practical Experiment abilities, the Department of Chemistry has taken the initiative to provide a Certificate Course in Water analysis

On 12/11/2021, the Department of Chemistry held a meeting with its members on the College's property. The conference was led by the department head, B. Krupender Reddy and attended by, Dr. N. Naavalakshi, and Dr. Nagaraj Reddy lecturers in Chemistry. The Department unanimously decided to organize the Certificate Course in Water analysis for degree-seeking students at our College, with the lecturers serving as the course instructors and the Department Head serving as chairman. As promised, the Certificate Course would span 45 days.

Department of Chemistry

Final Report of Certificate Course in
"WATER ANALYSIS"

There is No Course Fee and is offered as value addition to the students of Chemistry. The water quality management in India is performed under the provision of water (Prevention and Control of Pollution) Act, 1974. The basic objective of this Act is to maintain and restore the wholesomeness of national aquatic resources by prevention and control of pollution. The Act prescribes various functions for the Central Pollution Control Board (CPCB).

Poor water quality has its most direct impact on aquatic wildlife, particularly fish, bugs and plants. Excess nutrients, sediment, lead salt and other contaminants can reduce the variety and hardiness of organisms living in the states waters.

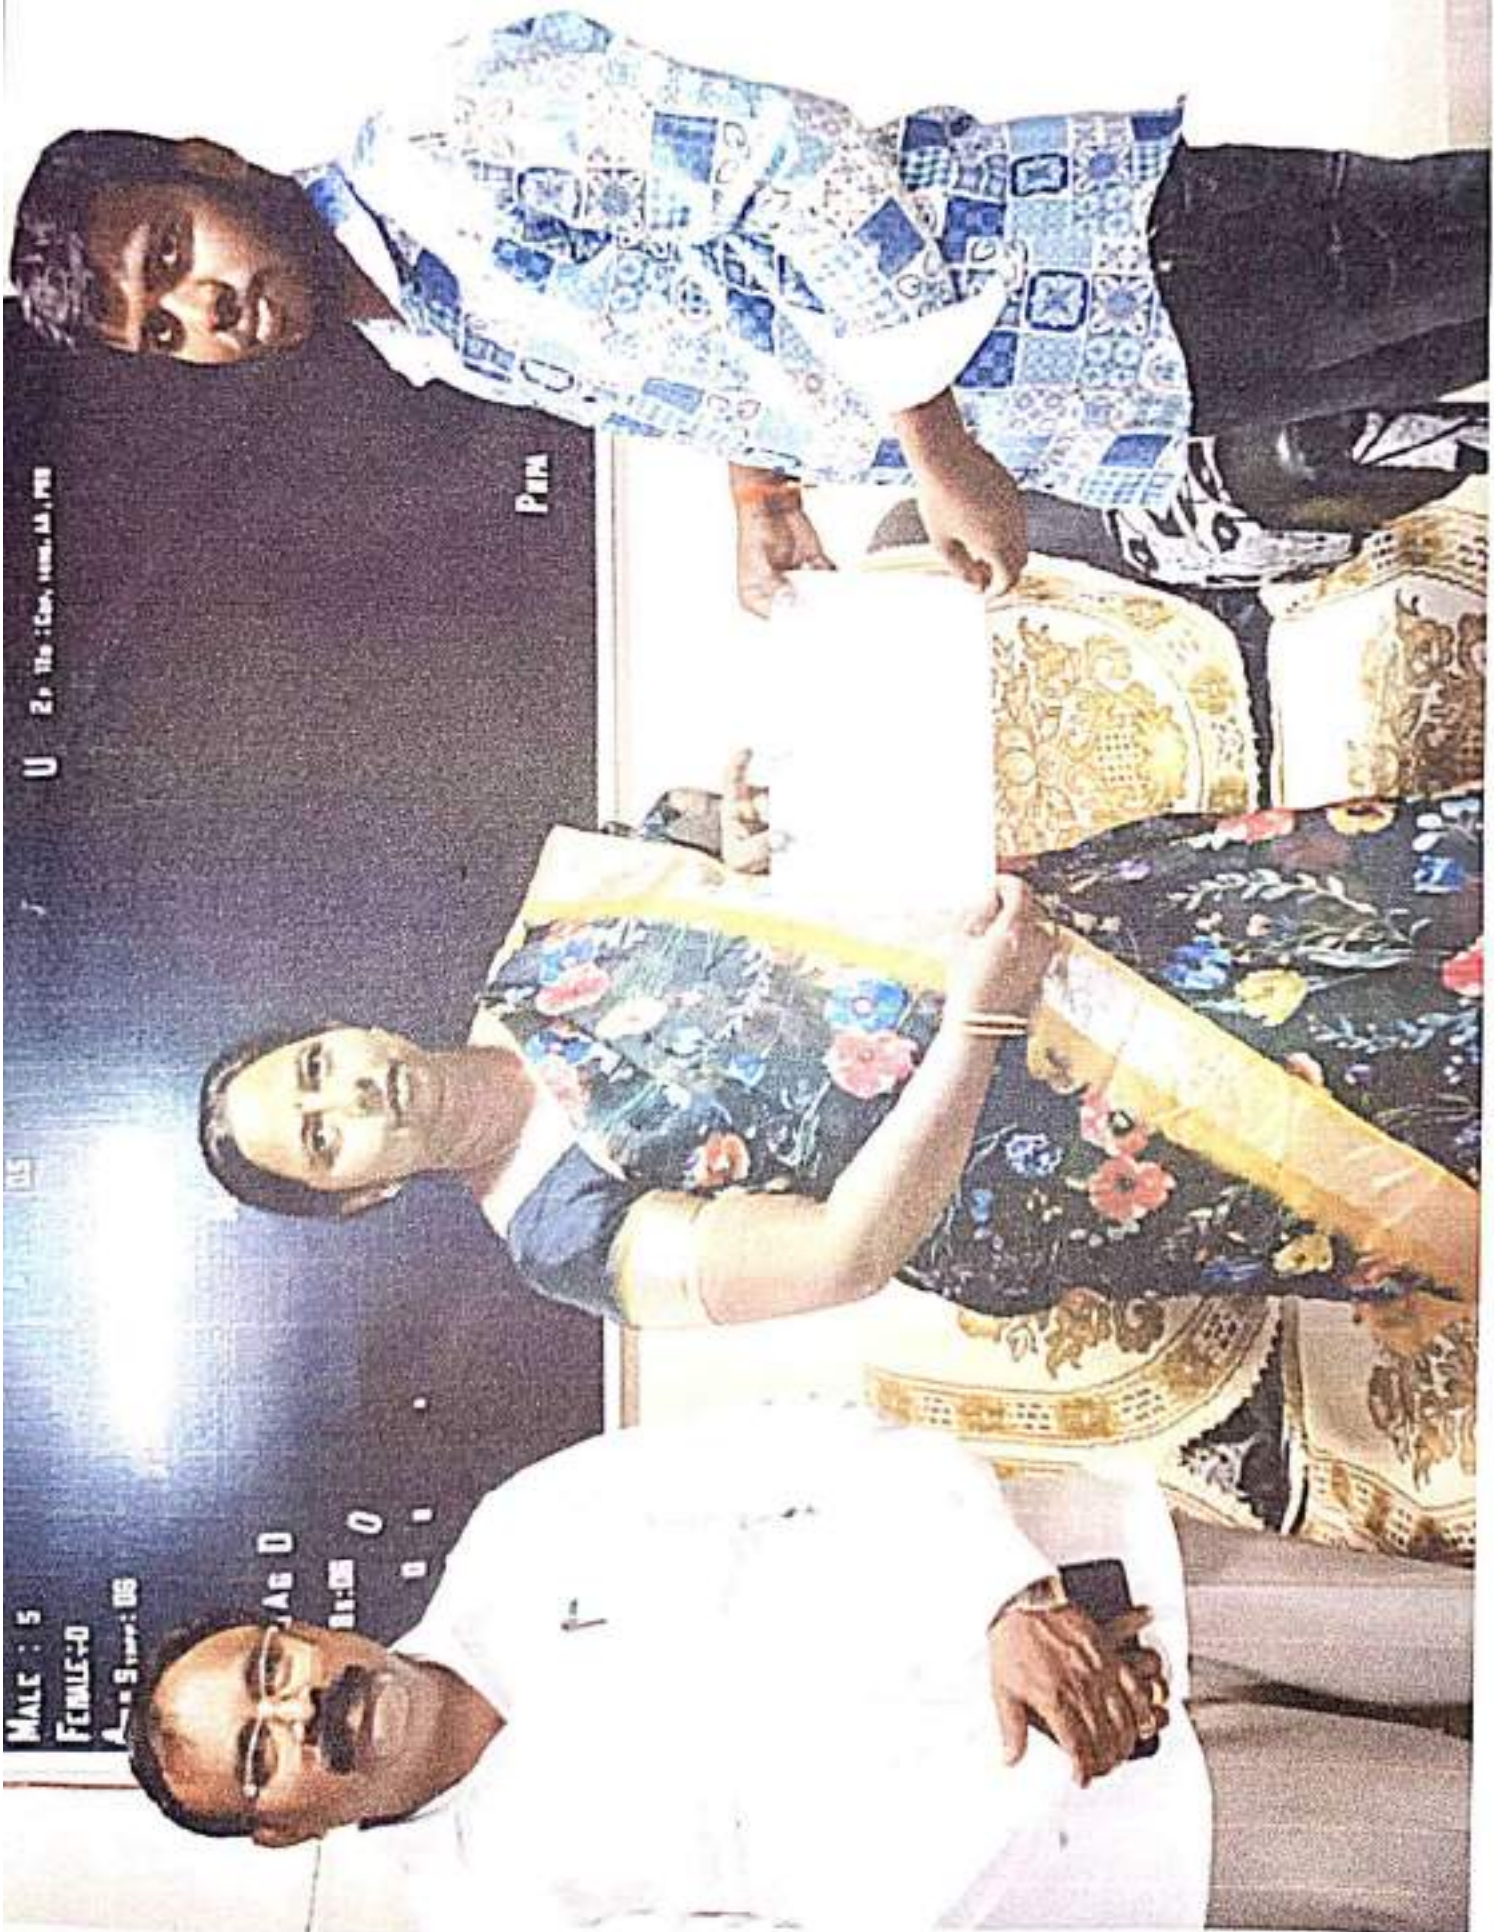

Hence, Department of Chemistry has decided to introduce certificate course in water analysis to enhance proficiency and practical knowledge in water chemistry, with the humble intention of imparting necessary knowledge on water analysis and quality parameters of water to the outgoing students. The certificate course was conducted for a period of 45 days with 30 hrs of theory and 15 hrs of practical from 3.00 PM to 4.00 PM off the college hours.

Final Report of Certification Course in commerce

Department of Commerce, under the guidance of the Principal came up with idea of Tally for the students of the College. The Department of commerce has made a humble beginning to impart and enrich the students with hands on tally by conducting a certificate course in Tally for the duration of 45 days. As it was resolved earlier, the main thrust of the course was to inculcate knowledge in Tally for the out-going students. The basic structure of the course is prepared keeping in view the needs of the final year students. The said Course was started on 01-11-2022 and completed on 20.12.2022.

The response from the students was overwhelming. In its introductory session the Seminar Hall was jam-packed and students enthusiastically wanted to be the part of it. the principal, addressed the students intimating them about the importance of Technology in social and corporate realms. He also appreciated the effort of commerce Department and congratulated Sri T Gangadhar, HOD, Commerce Department, who was the guiding force behind the entire course. The number of students attended the Course was good. 20 Students regularly attended the Classes conducted from 2.30 P M to 4.00 PM.

The sessions were interactive, informative and interesting. The usage of hands on, videos, hand-outs, seminars, quiz's, suggestive books and interesting worksheets helped the students to grasp the tips to learn and understand Tally. There were brain-storming sessions, debates, group activities and impromptu presentations which enhanced the confidence level of the students. The Course ran its entire course of 45 days and also took informal inputs from the students for making the course better next time.

After the successful completion of the said Certificate course, a valedictory function was held on 21 December 2022 . The Principal of the College, graced the occasion. The meeting was presided over by the HOD (commerce),

Sri T Gangadhar. In his opening remarks, the Head of the Department explained the need and necessity of introducing the Certificate course. The Principal advised the students to make use of the in-puts given by the Department of commerce. Certificates were distributed to the all 20 students.

At the end of program Sri K Raja Sekhar, Lecturer in commerce, proposed the vote of thanks.

Tally

POWER OF SIMPLICITY

Tally.ERP 9 at a Glance

syllabus

Accounting – It is the most important feature of Tally ERP. the very first thing that comes to anyone's mind after listening about Tally is Accounting.

Billing – Billing is a significant part of any business. As and when you pass an accounting entry synchronously a bill is generated which you can use for raising or sending an invoice. Most people believe that Billing is a part of Accounting which is not true when it comes to business. Billing Option present in Tally eliminates the task of entering separate accounting.

Payroll – This feature can be used when you have a good number of employees. To maintain Payroll in Tally, functions such as employee groups, employee categories, pay heads, attendance, and course employees are used.

Banking – In this era of digitalization, no business can survive without Banking. With the help of Tally ERP, TDS GST both direct and indirect tax can be calculated automatically and its returns will be also be filed online.

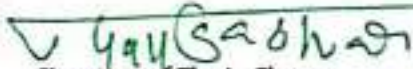

Taxation – For any business to survive it shouldn't operate in isolation. The Business should work in cooperation with State as well as Central Government by paying appropriate Taxes. Calculation of Taxes based on the income, sale, and dispatch is quite hectic. Tally makes it easy for you to prepare any bill or invoice as it can give VAT, Income Tax, Excise, Customs, Service tax, etc.

Inventory – Maintenance of Stock is of utmost importance for any business. It's vital as it gives better control over business sales. Thus, the movement of stock is an integral part that can be kept in control.

Date: 12-11-2021

The Department of History, a leader in catering to student needs, has made the decision to widen opportunities for individuals graduating from our college. There is a considerable need for new graduates with employability skills due to the expanding job market, which has been particularly visible in the **Museum Management**. With the straightforward objective of equipping graduating students with the requisite practical Knowledge and abilities, the Department of History has taken the initiative to provide a Certificate Course in **Museum Management**. On 20-11-2021, the Department of History held a meeting with its members on the College's property. The conference was led by the department head, C. Jayaram, and attended by, Narsaiah, and Gangadar lecturers in Commerce. The Department unanimously decided to organize the Certificate Course in **Museum Management** for degree-seeking students at our college, with the lecturers serving as the course instructors and the Department Head serving as chairman. As promised, the Certificate Course would span 45 days.

Certificate Course on AC DEVICES-REPAIRS**

Date:20.07.2021

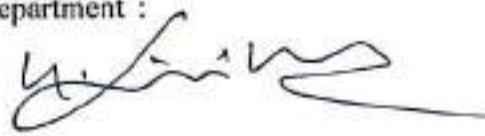

The Department of Physics, a leader in catering to student needs, has made the decision to widen opportunities for individuals graduating from our College. There is a considerable need for new graduates with technical skills due to the expanding job market, which has been particularly visible in the private sector. With the straightforward objective of equipping graduating students with the requisite practical and technical abilities, the Department of Physics has taken the initiative to provide a Certificate Course in **AC DEVICES-REPAIRS**.

On 20.07.2021, the Department of Physics held a meeting with its members on the College's property. The conference was led by the department head, Sri.A.Ravisankar Sharma, and attended by, Dr.G.Srinivasulu, in the laboratory. The Department unanimously decided to organize the Certificate Course on **AC DEVICES-REPAIRS** for degree-seeking students at our College, with the lecturers serving as the course instructors and the Department Head serving as chairman. As promised, the Certificate Course would span 45 days.

Final Report of Certification Course in AC DEVICES -REPAIRS

AC DEVICES -REPAIRS was developed by the Department of Physics with the help of the Principal, Dr. B.KRUPENDRA Reddy, for the College's students. By offering a certificate course in House wiring for 20 days, the Department of Physics has made a modest start in its effort to teach and enhance the students with practical knowledge of the House wiring. The primary goal of the course, as previously decided, was to impart House wiring knowledge to the departing pupils. The demands of the final year students are taken into consideration when creating the course's fundamental framework. The aforementioned course began on August 2nd, 2021, and ended on 25th September, 2021. The pupils' response was very positive. The Seminar Hall was crowded with eager students for its first presentation.

The principal Dr. B.KRUPENDRA Reddy, spoke to the students and informed them of the significance of technology in both the social and business spheres. He also praised the work of the department of business and complimented Sri A.RAVISANKAR SHARMA, HOD, who served as the course's architect. The course had a high turnout of students. Regular attendance for the classes, which ran from 04.00 PM to 6:00 PM, was 20 students.

The sessions were engaging, educational, and fascinating. The students were able to comprehend how to learn and understand House wiring with the use of hands-on activities, films, handouts, seminars, quizzes, suggested books, and engaging exercises. The pupils' confidence level was raised via brainstorming sessions, discussions, group exercises, and impromptu presentations. The complete course took place. The Course ran its entire course of 20 days and also took informal inputs from the students for making the course better next time.

After the successful completion of the said Certificate course, a valedictory function was held on 25th September 2021. The Principal of the College Dr. B.KRUPENDRA Reddy, graced the occasion. The meeting was presided over by the HOD (Physics), Sri A.Ravisankar sharma. At the end of program Dr.G. Srinivasulu, Lecturer in Physics, proposed the vote of thanks.

, the political science Department has made a humble beginning in its efforts to teach and improve students' practical knowledge. The requirements of final year students are taken into account when creating the basic framework of the course. The above mentioned course started on 13-02-2022 and ended on 31-03-2022 . The feedback from the students was very positive. The seminar hall was full of students waiting for their first presentation.

The Principal, spoke to the students and knowledgeable them of the importance of generation in both the social and enterprise spheres. He additionally praised the paintings of the department of political science and complimented SRI.H.RAMANJINI, HOD, who served as the route's architect. The periods were attractive, academic and fascinating. The pupils' confidence de gree becomes raised through brainstorming classes, discussions, organization sporting activities, and impromptu displays. The complete direction took place; the course ran its complete direction of forty five days and additionally took informal inputs from the scholars for making the direction higher next time. Upon the successful completion of the aforementioned Certificate programme, a farewell celebration was organized on the last day of the programme. The event was graced by the college principal

Poultry Broiler Management

Poultry Broiler Management Programme was developed & designed by department of zoology with the help of the Principal for III B.Z.C students. By offering the 45-days Certificate course in Poultry Broiler Management has made a humble beginning in its efforts to teach and improve students' practical knowledge for livelihood. The main objective of the course, as decided earlier, was to impart commercial strategy and to create awareness from rural area students. The requirements of final year students are taken into account when creating the basic framework of the course. The feedback from the students was very positive.

The I.Q.A.C. Coordinator, Head of the department of Zoology and course coordinator Dr.Md.Osman Ahmed quoted that Poultry farming is one of the fastest-growing sectors in Indian agriculture and provides a significant source of protein for the country's meat-eating population. Andhra Pradesh accounts for production of 3.5 crore live birds every month, which is one-third of the country's production, apart from six crore eggs a day. In revenue terms, poultry's contribution to the State's annual GDP is estimated at Rs. 20,000 crore with employment to close to 20 lakh people.

The Principal, spoke to the students about the self-employment skills and knowledgeable them of the importance of rich protein values and low cholesterol, as the population is enormously increasing day by day the government also insist animal husbandry and poultry farming in the rural areas. The government also provided financial subsidy to the poultry farmers.

Upon the successful completion of the aforementioned Certificate programme, a farewell celebration was organized on the last day of the programme. The event was graced by the college principal. The programme was concluded by vote of thanks.
