Dr.M.Purshotham Reddy,  
Principal,

## Describe at least two institutional best practices

**Mentor-Mentee System:** Mentor-Mentee System is adopted to minimize dropouts, improve performance and reduce stress of the students through personal counselling. Each teacher is assigned around 7-8 students for the complete duration of their study. They meet at least once a month to discuss, clarify and share various problems which may be personal or academic, etc. The mentors encourage the students to participate in co-curricular and extracurricular activities and sports. Their academic performance and other activities are all recorded. The mentors also keep in touch with the parents on their attendance, test performance, fee payment, examinations etc on weekly basis. The mentors also counsel the students in need of emotional problems. When the students have any problem in any department either with the staff or with work completion the mentors speak with the respective staff and sorts out the problem. Mentors take special care of weak students, who are given advice on how to study, prepare a time table for study and clarify the doubts and also given notes to study.

Chief Mentor of department takes the progress of counselling of students by mentors. Students problems are discussed with the departmental heads, other faculties and necessary action taken to solve it. 2. Faculty Improvement Programme (FIP) intends to provide assistance to facilitate up-gradation of knowledge, skill and intends to provide opportunities for induction training to teachers employed in disciplines . A Faculty Improvement Programme (FIP)) covers areas such as technical education policy, new concepts, methods and techniques, theory and skills development and up gradation of pedagogy educational technology, motivation, communication skills, management and other relevant issues to keep pace with the changing scenario in Globalization.
