Keeping the thought in mind that one educated female can lead the rest of the family towards quality education, every neighboring villagers, farmers, illiterate parents are made very much aware about the scope of higher education, provisions from State and Central government. This has resulted in increase in the strength of students being enrolled from rural belt. The distinctiveness of this college, is our experienced teaching staff are committed and dedicated in facilitating higher education that has driven attention of villagers, illiterates, farmers irrespective of their religious background, which in a way successfully motivated their daughters to continue higher education rather than discontinuing it at an early age and getting them married.
