

ABOUT THE DEPARTMENT:

The Department of Commerce is one of the major departments of the college in terms of the strength of students since its inception. It has paved away to and many luminaries .Since its establishment during the year 1988 the department has been in the fore front in catering to the educational needs of not only students from urban areas but also large number of students from economically poor and downtrodden communities from rural villages around Pattikonda.

GROWTH AND DEVELOPMENT:

The Institution had been established as composite college offering UG courses along with Intermediate course. The sanctioned strength of B.Com English Medium was 60 and B.Com Telugu Medium was 60.

To match with the changing trends and the growth in demand in the light of Liberalization, Privatization and Globalization, B.Com (Computer Application course) was introduced during the year 2004 with a sanctioned strength of 60 students.
