Long-term Internship

Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete 6 months of long-term internship either physically or virtually.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements of transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the persons working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Data and Information you are expected to collect about the organization and/or industry.
 - Job Skills you are expected to acquire.
 - Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.
13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
15. At the end of internship you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

Long-term Internship

CHAPTER 3: INTERNSHIP PART

(Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired).

On 16/11/22 the department of commerce assigned internship program allotted to intern organization i.e Mastanayya electronics My self. I concentrated and I am observed work place of Mastanayya electronics.

My self I concentrated and I am observed work place at Mastanayya electronics the proprietor assigned duties to me like sales & distribution segment every day I am observed different types of customers I learned in the view of business how to customer demanding or asking the customer demanding or asking the product how to customer behaviour how to customer communicating the owner & sales representative organization and I also I am observed sales man behaviour at the time of sales to customer. and I observed proprietor or owner behaviour attitude communicating with people & customer.

Long-term Internship

Working Conditions

* I am worked in Mastanayya electronics as a sales executive training in good working place.

* From Morning & Afternoon section I observed owners & business environment at "Mastanayya electronics".

* Working schedule given by the proprietor or owner of the organization.

* I learned social responsibility of the business towards of the society.

* I observed customer behaviour.

* I concentrated products brand, products quality, product cost, manufacturing details, manufacture date, expire date of the product, uses of the product, particularly in our organization [Mastanayya Electronics] different products like T.V. Free, radios, iron boxes, electronic home needs, etc. and I also observed quantity & variety should of the products.

Long-term Internship

CHAPTER 5: OUTCOMES DESCRIPTION

(Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

* In work environment I have experienced with different types of customers, personally I interact with customers with good communication I explained about the products and cost of the products every interaction with a customer is done to connect with these clients these and increase their retention and advocacy.

* In work environment facilities are very good to learn business activities of the organization and also provided to the customers like water, sitting arrangement, washrooms etc.

* My job role is as a sales executive training I do my job in sales counter with efficiency.

* The organization procedures, process, discipline, time management, harmonious relations are to be maintained by the employee and customers.

* In motivational view the owner motivated to us in smooth environment to develop the sales and for the development of organization.

Long-term Internship

(Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

In long term internship I acquired job related skills in my work environment like billing process by using of computer billing mission etc.
I observed and learned how to assembling by the bar codes to the products.

Long-term Internship

(Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.)

* In work environment I observed and I acquired some managerial skills like 1) planning of the organization 2) maintaining of the leadership 3) Team work of the employees 4) consumer behaviour 5) Goal setting and organization 6) decision of organization 7) Weekly improvement of the organization 8) time management 9) product management and required sources of organization

From the above point of view managerial skills are very important for the every business consumer. In this regard my self observed in Masthanayyan Electronics the proprietor or to be maintained effective managerial skills for the development organization he maintains good communication with customers. and he maintained employee-employee relationship and also maintained time management.

Long-term Internship

(Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.)

I would like to enhance main abilities at the time of group discussions. I thoroughly prepared before arriving in group discussion. I speak confidently with an appropriate tone. When I confident by others I focus on the issue under discussion and I remained polite.

In the view of return communication what is the procedure and how to maintain the pragmatic values to be maintain.

My conversational abilities confidence levels while communicating to the vendors and customers when I done work in place finally I observed my self I would like to improve my business communication skills through maintaining understanding of the customers extend by my abilities my articulate the key points the conversation should maintain in social and humanitarian environment.

Long-term Internship

(Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.)

I would like enhance main abilities at the time of group discussions. I thoughtfully prepared before arriving in group discussions.

I speak confidently with an appropriate tone. When I confronted by others I focus on the issue under discussion and I remained polite.

When I participation in teams as a team member as a team leader.

⇒ I respect the contribution of other speakers

⇒ I listen well to the ideas of other speakers

I will learn.

⇒ I Acknowledge what I find interesting

⇒ I remember that a discussion is not a fight

⇒ I respect differing views.

⇒ I think about my contribution before.

am to speak.

⇒ I tried to stick to the discussion topic

⇒ these are my abilities at the time of group discussions. and participation in teams as a member or leader.

Long-term Internship

(Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role))

In long-term Internship I acquired job related skills in my work environment like billing process by using of computers billing mission etc.

I observed and learned how to assigned by the bar codes to the product

Long-term Internship

Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of APState Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete 6 months of long-term internship either physically or virtually.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements of transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the persons working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Data and Information you are expected to collect about the organization and/or industry.
 - Job Skills you are expected to acquire.
 - Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.
13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
15. At the end of internship you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your college.

Long-term Internship

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission and Values of the Organization
- C. Policy of the Organization, in relation with the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

A. Introduction of the Organization

Masthanayya electronic service Organisation located at pathikonda. the Organisation comes under the sole proprietorship sector. the proprietor can deal with all different types of activities in business concern like Stock purchasing, sales, distribution and promotion. this Organization to service the machineries & electrical services to provides to the customers. main objective is electronic items like T.V, Iron, boxes, Freezers, washing machines, water heaters & application.

B. Vision, Mission and Values of the Organization

vision & mission :- vision of the service Organization to provide quality of product to the customer, mission of the Organisation create a target for strategy development and sales promotion extends of the institute.

values of Organization :- to promote human value to the customer maintaining good relation, peace full Environment in the working area, respect to give every customer.

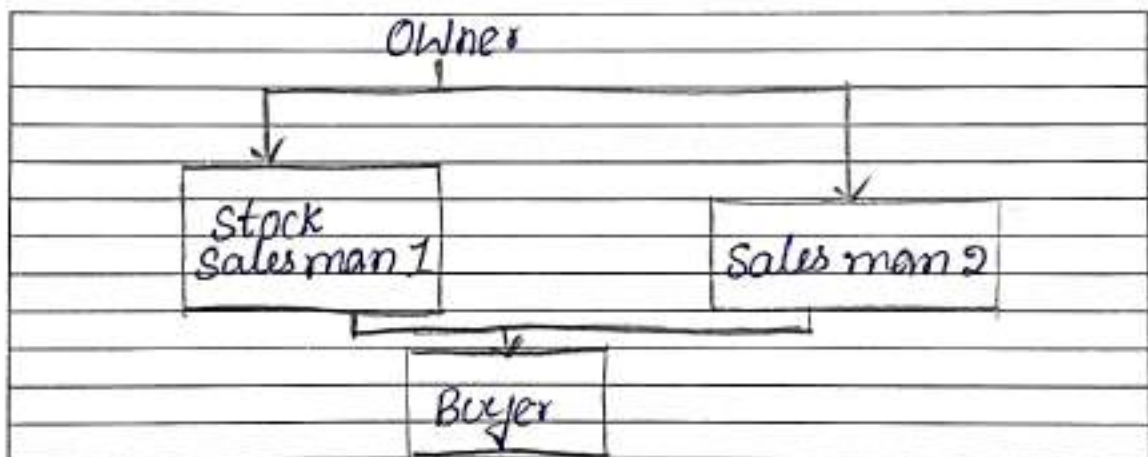

Long-term Internship

C. Policy of the Organization, in relation with the intern role

Masthanayya electronic is a small skill sector it is mainly by only one person with some more workers to help the developing in particular work area because of the organization policy also a very very fine. I am observed policy of the organization is only development and promotion of sales.

In organization my relation with as a intern students observing the sales, customer nature, accounting books, maintain etc. the proprietor giving the valuable suggestions & importance gives as:

D. Organizational Structure

E. Roles and responsibilities of the employees in which the intern is placed

Masthanayya electronic role to play to develop the organization through the sales promotion and their responsibilities are to maintain customer relations, sales promotion, quality of product, maintaining the maintaining return policy & concentration on customer need & wants of producing are preparation are buying products to serve the customer.

In intern the owner should maintain good communication with employees. Employment also should maintain good communication with owners as well as customers.

Long-term Internship

F. Performance of the Organization in terms of turnover, profits, market reach and market value.

Masthanya electronic Organisation should maintain turnover approximately 10,00,000 per year. The profits of Organisation is to be maintained modestly. The Organisation reached in the level of market value approximately 50 to 60%. Slowly occupied in pathikonda area. Finally conclusion on behalf of the turnover, profits, market value is slowly growing in the pathikonda area business environment.

G. Future Plans of the Organization

- * To promote sales maximum profit at the level of competitive consults
- * To attract the customer for give quality service.
- * To reduce the maintaining cost of the Organization
- * To enhancement salaries to the skilled labour
- * To elaborate the business establishment new branches in various places
- * To use the advanced technology in business consumer.
- * To modify the Organisation to use new equipments.

Long-term Internship

CHAPTER 3: INTERNSHIP PART

(Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired).

On 16/11/2022 the department of Commerce assigned internship program, allotted to intern Organization i.e. Masthanayya Electronics.

My self I concentrated and I am observed work place at Masthanayya Electronic. The proprietor assigned duties to me like sales distribution segment every day I am observed different types of customers. I learned in the view of business how the customer demanding or asking the product how the customer behaving, how the customer communication the owner & sales representative Organization, and I also I am observed sale main behaviour at the time of sales to customer and I observed proprietor or owner behaviour, attitude, communicating with people & customer

Working Conditions :-

* I am worked in mastharaayya electronics as a sales executive trainy in good working place.

* From morning & afternoon section I observed owners & business environment at "Mastharaayya Electronics"

* Working schedule given by the proprietor or owner of the organization

* I learned social responsibility of the business towards of the society.

* I observed customer behaviour

* I concentration products cost, manufacture products quality, product cost, manufacture details, manufacture date, expiry date of the products, uses of the products particularly in our organization [Mastharaayya Electronic] different product like T.V, Freezer, radios, Iron boxes, electronic home needs etc and I also observed quantity & warranty should of the products

Long-term Internship

CHAPTER 5: OUTCOMES DESCRIPTION

(Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

* In work environment I have experienced with different type of customer. personally I interact with customer with good communication I explained about the product & cost of the product every interaction with a customer is chances to connect with there, delite there, and increase there retention and advocacy

* In work environment facilities or very good to learn business activities of the Organization also provided to the customer like water, sitting arrangement, washroom etc.,

* my job role is as a sales executive trainy I done my job in sales counter with efficiency.

* the Organisation procedure, process, discipline, time management, harmonies relations are the to be maintained by the Employees Customers

* In motivational view the owner motivated to us is smooth environment to develop the sales and for the development of Organization. sincerely he motivated to me successfully carried out my efficiencies

Long-term Internship

(Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

The space and ventilation of the maathamalya electronic of the good & nice, placent environment in working area.

In long term internship i acquired job related skills in my work environment like billing process by using of computer, billing mission etc.,

In observed and learned how to associating by the bar codes to the products

Long-term Internship

(Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.)

* In work environment I observed and I acquired some managerial skills like 1) planning of the Organisation 2) maintaining of the leadership 3) Team work of the employees 4) Consumer behaviour 5) Goal settings and Organisation 6) decision of Organisation 7) the monthly improvement of the Organisation 8) Time management 9) product management and required sources of the Organisation

From the above points of view managerial skills are very important for the every business consumer. In this regard my self observed in Masthanna Electronics. The proprietor or to be maintained effective managerial skills for the development Organisation, he maintained good communication with customers, and he maintained employee-employer relationship and also maintained time management.

Long-term Internship

CHAPTER 3: INTERNSHIP PART

(Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired).

on 16-11-2023 The Department of Economic
Internship organization is assigned internship
Nagyon auto-led to Mubharak Fashion world
my self-concept started and
I am observed work place at Mubharak
Fashion world the priority assigned du-
ties to me like sales and distribution
segment everyday I am observed
different typical customers. I learned
in the view of business how the customer
demanding or asking the products. customer
customer has growing how the customer
community rating the customer and sales
representative at organization and
I also observed some human behaviors at
the theme of sales to customer's job
I observed pro behavior or customer behavior:
attitude community rating with people or
customers.

Long term Internship

- working conditions :-

- * I worked in Mubharke Fashion world as sales executive & owner in good working place
- * From morning and after noon sees in to dress owners & business chit chat at Mubharke Fashion world.
- * working schedule give by the proprietor or owner of the organisation
- * I have social responsibility of the business towards of the society
- * I observed customer behaviours
- * I cons. entiated products brand quality cost of the product manufacturing details etc.

Long-term Internship

CHAPTER 5: OUTCOMES DESCRIPTION

(Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

on in work environment I have experienced with different types of customers. personally I interact with a customer with good communication. I complained about the products and cost of the products every conversation with the customer is a chance to connect with them, delight them, and increase their relation and advocacy.

⇒ In work environment facilities are very good to learn business activities of the organisation and also provided to the customer like water, sitting arrangement, washrooms etc.

⇒ my job role is as a sales executive since I done my job in sale context with efficiently.

⇒ The organisation procedure, policies, discipline, the management, harmonious relation, and support care to be maintained by the owner.

Long term Internship

(Describe the real time technical skills you have acquired in terms of the job related skills and hands on experience)

In short term internship I have acquired job related skills in the work environment like business and computer compatibility etc. I have also observed many things which are not possible to observe in the classroom.

Long term Internship

(Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.)

a. In course environment observed and highlighted some managerial skills

like:

1. Planning of the organization

2. To maintain of leadership

3. Team work of the employees

4. Com. new behaviour

5. Goal setting - its - actual organization

6. Decision making at the level of the organization

7. Weekly improvement of the organization

8. Time management

9. Progress report for the organization

From the above points of view management skills are very important for the every business concerns.

In my view, my set observed in my internship course. The for every one to be met at an end etc. The we moment should for the development of the organization. It is not need good communication with customers and market. Every employee that in my and also my relation need become my own.

Long term Internship

(Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.)

This long term internship will improve my communication skills in the long run and my knowledge business environment. In terms of improvement in oral communication like to discuss the other communication like to discuss the other issues and respond to them.

In the view of communication communication when is the procedure and how to maintain the procedure values to be maintained by both every employee while working to be very good and customer service which have my work in place. It is a good idea to work in a place where I can observe my self and work to make my business communication. The daily routine the maintenance is maintained by the costumer service, etc. I will improve my abilities to articulate the key points the conversation and should maintain in good and humanistic environment.

Long term Internship

[Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.]

I would like to enhance my abilities of the
- time of groups when the tasks are posed
before assigning a group project and to speak and
listen with an open mind and when set some
ed by others topics on the issues which discuss
and remain calm

when I get what on interns as a team
member or as a team leader →

⇒ I respect the contribution of others
speakers first

⇒ I listen well and deal of other speakers

⇒ I take knowledge and find

⇒ remember that advice should be heard and should

⇒ remember that advice should be heard and should

⇒ I respect and discuss views listening about
my contribution

⇒ be able to speak

⇒ to be able to stick to the discussion topic

these my aim to be at first of group

with these aim to be at leader.

Long term Internship

(Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

In short-term internship I achieved Job related skills in my work. The most important thing to be doing process by way of computer both missada etc jobs send and learning how to assist the bus codes to production.

On 16-11-2022 The Department of Humanities B.A. assigned Internship Program allotted to Internship organization "Veerabhadra General Trades".

My self I concentrated and I am observed work place at "Veerabhadra General Trades" the Proprietor assigned duties to me like Sales and distribution Segment. Every day I am observed different types of customers bargaining how the customer communication the owner and sales representative of organization and I also observed Sales man behaviour of the time of Sales of customers. I observed Proprietor or owner behaviour, attitude, communicating with people or customers.

Long-term Internship

Working Conditions

* I am worked in veerabhadra general trades, as a Sales executive trainee in good working place.

* From morning and afternoon session I observed owners & business environment at veerabhadra General Trades.

* Working schedule given by the Proprietor or owner of the organisation

* I learned social responsibility of the business towards of the society.

* I observed customer behaviour & concentrated products brand quality, cost of the products, manufacture details etc.

Long term Internship

CHAPTER 5: OUTCOMES DESCRIPTION

(Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

In my work environment I have experienced with different types of customers, personally I interact with a customer with good communication. I explained about the products and cost of the products every conversation with a customer is a chance to connect with them, delight them and increase their reaction and advocacy in work environment. Facilities are very good to lesson business activities of the organisation and also provided to the customers like water sitting arrangement, canteen room etc. My job role is of a sales executive trainee. I do my job in sales context with efficiency.

The organisation procedure, relation, staff process, discipline, time management, harmonious relation, staff are to be maintained by the owner, by the employees and customers.

In motivational views, the owner motivated to us in smooth environment to

Long term Internship

(Describe the real time technical skills you have acquired [in terms of the job-related skills and hands on experience])

* In long term internship i acquired Job related skills i am very work environment like i beling process, by using of empoter bissiy missia etc.

* I observed and learned how to assigny the barcodes to the products.

Long term Internship

(Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.)

A In work environment I observed and I acquired some managerial skills like.

1. Planning of the organisation
2. To maintain of leadership
3. Team work of the employees
4. Customer behaviour
5. Good services of the organisation
6. Decision making of the organisation
8. Time management.

9. Productive management and verified sources for the organisation from time about points to view management skills are very important for the very business concerns.

I this regard my self observed in Veerabhadra General Traders. The proprietors are to be maintain had affective ways for the development of organisation, maintained good communication with customers and maintained employed temperer relationship and also maintained to me wellsettled.

Long term Internship

(Describe how you could improve your communication skills (in terms of improvement in oral communication written communication conversational abilities confidence levels while communicating actively managing understanding others getting understood by others extempore speech ability to articulate the key points closing the conversation maintaining accuracy and protocols greeting thanking and appreciating others etc.)

In long term Internship I would like to improve my communication skills in the views and my knowledge and in business environment in terms of improvement in oral communication I would like to listen other parties and reply to them.

I am the views of written communication that is the procedure and ways to maintain the procedure values to be maintained by note menties noted while my conversational abilities, confidence levels while communicating to the understand customers when I do my work in place finally I observed my self I would like to improve my business communication skills through the maintaining of maintaining of the customer extend my abilities, my abilities to articulate the key points the conversations should maintained in social and humanitich environment.

Long term Internship

(Describe how you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.)

I would like to enhance my abilities at the time of group discussions. I have previously experienced before arriving in group sessions, I speak confidently with an appropriate tone, when I am contradicted by others I focus on the issues under discussion and I remain so polite.

When I participate in terms of a team member or as a team leader.

* I respect the contribution of other speakers

* I am knowledgeable about what I find

* I remember that a discussion is not a fight

* I respect different views

* I think about my contribution before I am to speak.

* I tried to stick to the discussion topic these are my abilities at the time of group discussion and participation in teams as a member or leader.

Long-term Internship

(Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role))

In long term internship I received job related skills in work environment like i binning process, by using of computer bissing mission etc.

I observed and learned how to assign the barcode to the product.
